- **political business relations in the natural resources sector, including the development of the rules of the game regarding the management of conflicts of interest of public officials.**

Relevance of UNCAC Coalition's initiatives

- **Networking and opportunity for mutual sharing and learning**
- **Regional meetings, regional platforms**
- **Civil society briefings**
- **Working groups - Victims of corruption, Asset recovery and Environmental crime and corruption**
- **Access to information campaign**
- Civil society parallel reports
- Supporting CSO's participation
- Joint advocacy at the CoSP
- Transparency pledge

The domestic issues of the members are far more numerous, while the UNCAC coalition cannot go too deep into domestic issues in each country.

What should UNCAC Coalition prioritize

- Anti-corruption and human rights
- Accountability of public service delivery (incl. judiciary)
- Advocacy for improved civic space
- Campaign for anti-money laundering (involving cryptocurrency)
- whistleblower Protection Law
- International cooperation and grand corruption
- Improve on solidarity measures for members facing reprisals
- To keep CSOs informed, facilitate supporting workshops.
- Monitor recommendation 25- FATF review- BOT
- Transparency of Public Procurement (COVID-19 & specially international or cross-border contractor involvement)
- Enhancing Citizens Awareness on Anti-Corruption
- Political campaign financing
- SDG 16
- Corporate integrity and accountability, Illicit financial flows
- Data literacy, data governance, indigenous data sovereignty

- UNCAC Review and follow-up (law and practice)
- Regional meetings
- Virtual civil society briefings regional platforms
- Transparency pledge
- Access to information campaign
- Victims of corruption
- Asset recovery
- Environmental crime

UNCAC coalition team knows better how to set up the strategy for 2022

Suggestions for UNCAC Coalition for further improvement

- Continue to keep us informed.
- UNCAC Coalition should continue engagement with CSOs, UNODC and ACU on the follow-up actions
- Engaging on UNCAC reviews
- Experience sharing events
- Organizing capacity building workshops for members
- Peer Advice on engaging with the business and/or financial sector in a collaborative way without getting captured
- Help us to promote this e-learning (thaihonesty.org) to the network UNCAC has and (if possible) .

**“We can help support interventions related to building their data literacy and advocate on governance issues in the Mekong countries.”
– CSO**

Suggestions for UNCAC Coalition for further improvement

- Develop stronger regional presence
- To reshape its agenda and move with the times and address new challenges
- Research and advocacy
- UNCAC Coalition can facilitate CSOs participation in CoSP or relay our concerns
- Providing working opportunity
- To have an exchange meeting in person for the sharing and learning from each other

“I find it really useful to have an organisation following and advocating and organising CSO around these international commitments”

“I have found everyone at the UNCAC Coalition to be very helpful, particularly as a new member navigating its way around the network. I have no suggestions for improvements.”

“UNCAC Coalition has done an excellent job and please keep the momentum. Thanks!”

“This is a very impressive coalition of very talented people - very glad to be a part of it! Thank you for all you do!”

“The Secretariat of UNCAC Coalition are highly professional and have done really a good job. ”

**Thank you
all!**
